Name of Charity	Donation amount	Donation detail	Location
Adopt A Student Charitable Trust	\$9,550.00	Funding towards a pilot programme in Christchurch aimed at helping students living away from home and needing support via volunteer whānau and in-house activities while away from home.	Canterbury
Age Concern Auckland Incorporated	\$10,400.00	Funding for a part-time project coordinator for the Smart Seniors Technology Support project. This will teach Chinese and Korean seniors to use digital tools, by creating video tutorials in Mandarin, Cantonese and Korean on relevant topics for seniors.	Auckland
Aotearoa Latin American Community Incorporated	\$15,000.00	Funding towards four workshops to help migrants and refugees with the New Zealand tax system, budgeting, tips for starting a business and providing general financial information. Workshops will also provide help to cope with any traumatic situations, meditation techniques, and how to deal with any psychological problems that arise due to money matters.	Auckland
Auckland District Kidney Society Incorporated	\$20,000.00	Funding towards the Wellness Programme which gives people with kidney failure the opportunity to achieve economic and social independence and a higher quality of life via a range of support services.	Northland

Aviva (incorporating Christchurch Women's Refuge) Charitable Trust	\$17,500.00	Funding for a new online education programme for those impacted by family violence. This will provide an online platform to reach more people. This is essential due to increased demand for services and the limited ability for face-to-face services, particularly with Covid-19. The programme will help those affected by family violence to develop support plans, learn about acceptable behaviours and ways of expressing emotion, and experience a growing sense of safety and confidence.	Canterbury
Barnardos New Zealand Incorporated	\$8,730.00	Funding towards six eight-week Inspire Kids programmes in Nelson and Blenheim working in collaboration with schools. The aim is to work with children exhibiting anxiety which is being exacerbated by Covid-19. This programme is designed to reduce vulnerability and enhance wellbeing for children through a mixture of learning, activities, interactions, teamwork, and peer relationship building.	Wellington
Battered Women's Trust (Christchurch)	\$9,750.00	Funding for specialist family violence counselling which is essential to help clients' long term mental wellbeing. The counselling encourages clients to recognise and develop their own coping skills so they can effectively handle situations.	Canterbury
Birthright Canterbury Trust	\$9,933.00	Funding towards the home visit support programme provided by registered social workers. Support is provided to families by working with them to identify and address challenges and to set and achieve goals.	Canterbury
Bowel Cancer New Zealand Incorporated	\$9,999.00	Funding towards the salary of the national support nurse who provides support to patients and their families via online patient information, Facebook groups, and patient related emails. The nurse works on education and awareness programmes and delivers educational presentations to corporates, community groups, and healthcare organisations.	Auckland

Community Link Trust	\$3,740.00	Funding towards the Teenlink mentors in-school programme for day trips such as the 'Save the Dunes' program. The programme provides mentors to encourage, guide and help progress young people in years six to eight towards making positive choices and to cope with difficulties they are facing, learning positive ways to manage their emotions.	Waikato
Environment Network Manawatu Incorporated	\$20,795.00	Funding for cameras and traps for the Ruahine Kiwi Project. The aim is to control stoats, rats, and predator pests along with other threats to biodiversity, to allow the return of taonga species, in particular the North Island brown kiwi.	Manawatu-Whanganui
Family & Financial Solutions Trust	\$12,960.00	Funding towards the mentoring programme for 60 clients and their families in Taupō and the surrounding areas. This programme includes support at no cost to clients.	Waikato
Graeme Dingle Foundation Canterbury	\$8,555.00	Funding equipment for the Kiwi Can programme which involves over 3,700 children per week in Canterbury. Additional programme equipment is needed due to heavy daily use.	Canterbury
Hearing House Services Limited	\$15,000.00	Funding towards the provision of counselling support to adults and children with cochlear implants and their families in the upper North Island. This has been developed in response to the growing need for specialised counselling for families and individuals who have been diagnosed with deafness or hearing loss.	Northland
Heart Kids New Zealand Incorporated	\$1,300.00	Funding for medical alert bracelet memberships for any 'heart baby', child, or teen needing one. A medical alert bracelet contains the individual's unique medical information.	Wellington

Henderson Budget Service Incorporated	\$21,259.00	Funding for a community educator to provide financial literacy courses and budgeting at a number of locations in the community. A large number of groups and housing providers are seeking these services, which require more resources to deliver.	Auckland
Home and Family Counselling Incorporated	\$11,760.00	Funding towards counselling for 15 women with issues of domestic violence, abuse, housing, poverty, depression, mental illness, drug addiction, and separation. Most of these women are from lower socio-economic backgrounds, are impoverished and are in desperate need of help.	Northland
House of Science Wairarapa Charitable Trust	\$10,000.00	Funding for four bilingual (Te Reo Māori and English) science kits and replenishment materials for these kits for one year. Each science kit covers a different theme and includes at least five hands-on experiments for year one to year eight students.	Wellington
Just Atelier Trust	\$2,830.00	Funding for the costs of their Mend & Make Awesome workshops which will make the workshops accessible to people of all ages and backgrounds. These workshops boost quality of life through self-sufficiency to reduce household expenses related to clothing and soft furnishings, such as the ability to mend, clothing and other textile items (bags, curtains, bedding etc).	Otago
Kia Haumaru - Personal Safety Education Incorporated	\$15,250.00	Funding towards 25 personal safety education (self-defence) courses for year seven and year eight students at decile 1 schools around Aotearoa. Increased demand has been driven by the increased social and economic deprivation being experienced because of the ongoing pandemic.	Wellington

Kindred Family Services	\$15,000.00	Funding for counselling services. Up to six counselling sessions are offered for women, children, and families by their contracted counsellors who are all members of the NZ Association of Counsellors. In recent months, there has been unprecedented demand for counselling, including an increase in clients disclosing intimate partner violence, and, amongst children and teens, truancy, substance abuse, suicidal ideation, and self-harm.	Auckland
Leukaemia & Blood Cancer New Zealand	\$20,000.00	Funding for the 2022 Blood Cancer Patient Forum Online, a hybrid forum allowing for online sessions and regional gatherings at their five support services centres. This will include eight sessions: six purely webinars and two with an in-person option at each of their centres where the webinars will be livestreamed. The focus of the sessions will be psychological wellbeing and empowering the patient.	Auckland
Louise Perkins Foundation	\$25,000.00	Funding towards the valued member voucher programme. Funds will be used to provide people who have been diagnosed with advanced (incurable) breast cancer with vouchers to spend on products and services to improve quality of life, ease financial pressure, and enhance wellbeing.	Auckland
Marlborough Group NZ Riding for the Disabled Association Incorporated	\$4,911.00	Funding towards horse welfare for fourteen horses. This includes a chiropractor, dentist, vet services, supplements and medications.	Marlborough
New Foundations Trust	\$21,000.00	Funding towards mentor costs for programmes in South Auckland for seven hundred students in 2022. This allows them to provide professional, high quality, specialised mentoring services, including one-to-one and group mentoring, transition (intermediate to high school) and academic support mentoring for youth who are close to exclusion through truancy and disruptive behaviour.	Auckland

New Zealand AIDS Foundation	\$25,000.00	Funding for the HIV self-test (home test) programme. People can face many barriers to testing, and providing access to self-tests online and in discrete and safe locations where at-risk populations already visit helps to remove some of these barriers, making testing more accessible to those who may otherwise not test.	Auckland
Paeroa Community Support Trust	\$7,391.00	Funding to employ and train a new budgeting adviser to provide increased budgeting services and education. The goal is to increase availability and the number of appointments, and facilitate more group sessions. Budgeting services offer individual support and group sessions.	Waikato
Parentline Manawatu Incorporated	\$5,000.00	Funding towards costs for the parenting programmes, which aim to improve the home environment and build positive environments for young people to flourish.	Manawatū-Whanganui
Pregnancy Help Incorporated	\$6,100.00	Funding to purchase essential items for vulnerable pregnant women and for women who have recently given birth. Essentials include clothing, bedding, nappies, and baby equipment.	Auckland
Project Jonah New Zealand Incorporated	\$9,560.00	Funding for educators to deliver the "World of Whales" education kit free to schools and kindergartens in the Wellington and Nelson regions. The aim is to teach children about the marine environment and its importance.	Auckland
Te Hahi Aotearoa Trust	\$7,240.00	Funding for new location training costs including a trainer, video production and editing, resource packs, training banner, and champion starters kits. These resources are used for training new volunteer groups to provide support to people impacted by family harm.	Waikato

Te Omanga Hospice Trust	\$11,814.00	Funding for two replacement patient beds for their eight-bed inpatient unit. The current beds are over 20 years old and the safety features on new patient beds have advanced significantly. The new beds would provide additional safety, greater functionality and comfort.	Wellington
Ted's Space	\$9,900.00	Funding towards the "Ted's Space" programme (Ted is a dog) running in Wellington schools. This programme assists primary school children with special needs to engage at school. Ted's Space creates links between the dog training undertaken with Teddy and establishes strategies as to how the student can assimilate these skills back into the classroom/school/home environment.	Wellington
The Whanau Community Trust	\$9,350.00	Funding for the "Kash is King" financial capability programme for youth from vulnerable and at-risk communities. The programme is designed for six to 16 year olds to teach them about saving, banking, and budgets. Parents and caregivers attend with the children, which means they also learn financial management skills.	Auckland
Tomahawk-Smaills Beachcare Trust	\$7,450.00	Funding to purchase two seasons of tree planting supplies to protect and nurture seedlings. 2,000 native trees and shrubs are grown from seeds and planted each year. These plants are vulnerable to browsing by rabbits and are also negatively impacted by the nutrient-poor, sandy soils of Ocean Grove Reserve and invasion by weeds.	Otago
Upside Youth Mentoring Aotearoa	\$10,167.00	Funding towards the salary for a mentoring supervisor to provide effective mentoring intervention. This role is involved with interviewing, police vetting, training, and supporting volunteer mentors to meet with a young person each week for 12 months.	Auckland

Waikato Community Hospice Trust	\$9,500.00	Funding towards the salary of one family services counsellor for six months. Family services counsellors provide an essential and free service to children, young people, and their families in the Waikato community.	Waikato
Windsor Park LifeCare Trust	\$6,000.00	Funding towards the Debt Coaching & CAP Money courses. These freely-offered services are for local people who need help to manage their day-to-day spending, budgeting, and debt repayment to break the intergenerational poverty cycles as well as empowering them to achieve economic independence.	Auckland
