Your ranking is...

<10 'THE SPENDER'

Plan? What Plan?

They might be earning a decent income, but 'Spenders' will still just be getting by because they often display 'here and now' tendencies. They often spend money in the moment which brings them joy but aren't always prepared when an unexpected cost pops up.

11 - 20 'THE STRIVER'

I'm doing my best, baby

'Strivers' are able to balance their income and savings by having a clear financial outlook. They might not be 100% prepared for the future, but they know how to make the most of what they've got. They're on the right track, and with a long-term perspective they can easily progress.

21 - 30 'THE ALL-ROUNDER'

My middle name is comfy.

All-Rounders are very financially comfortable and can enjoy life now, whilst planning for the future. The All-Rounders balance the importance of money and mindset well – keeping count of what they've got, what they want and most importantly, what they really need to stay on track.
