

# ACCEPTABLE EVIDENCE OF SOURCE WEALTH / FUNDS

## Why does ANZ require evidence of Source of Wealth and Source of Funds?

Under the Anti-Money Laundering and Countering Financing Terrorism Act 2009, ANZ may be required to understand how you've generated your wealth and/or funds – through Source of Wealth and Source of Funds queries. If you've been asked to provide these documents, please see the table below for examples of acceptable evidence.

### What is Source of Wealth?

Source of Wealth relates to the origin of your entire body of assets (e.g. how was your wealth obtained). Documents to evidence your Source of Wealth must provide an indication of the size and the nature of your wealth.

### What is Source of Funds?

Source of Funds is narrower and focuses on the origin of the funds that you'll be using for your transactions or dealings with ANZ.

Some examples of what is acceptable include:
