## IMPORTANT INFORMATION

A group is considered to be a number of travellers departing together and returning to New Zealand on the same day. A quotation will be provided based on the information you have provided to us.

This quotation DOES NOT include:

- any Optional Special Benefits (e.g. Specified Items or Private Hospital Care). If these are required please request a separate quotation from your consultant.
- cover for Pre-existing Medical Conditions, unless cover is specifically provided in the policy wording. Individual members of the group requiring this cover should contact our Medical Hotline to apply for written acceptance.

No insurance is provided until the full premium has been paid and the policy certificate has been issued. Prior to your departure from New Zealand, we reserve the right to amend any quoted premiums or terms prior to your acceptance of any quote. The time to purchase your travel insurance is the same time as you pay for a deposit for your holiday, in case you should have to cancel your trip due to unforeseen circumstances.
