

ANZ Credit Card Repayment Insurance provided by Chubb Life is being withdrawn

If you have ANZ Credit Card Repayment Insurance provided by Chubb Life, you should have recently been advised that they have decided to withdraw this product from the New Zealand market.

On 30 April 2024, the product will be withdrawn, and from this date you will no longer have cover under this product.

How does this affect you?

On 30 April 2024, your ANZ Credit Card Repayment Insurance policy will end and you'll no longer have that cover.

Your ANZ Credit Card is not affected by your policy ending.

However, if your ANZ Credit Card is withdrawn or cancelled before 30 April 2024, your ANZ Credit Card Repayment Insurance policy will end automatically.

How will this affect your premiums?

You pay your premiums through your credit card. Premium payments are calculated on your outstanding monthly credit card balance — if you don't have an outstanding balance, then no premium is charged.

Your last premium will be charged on your outstanding monthly balance in March 2024, with your insurance cover remaining in place until 30 April 2024.

No premiums will be charged on outstanding monthly balances in April 2024.

You may want to consider other cover

As your cover ends on 30 April 2024, you may wish to consider other protection before your policy ends.

If you'd like information about our other products, please give Chubb Life a call on 0800 883 012.

If you have other life insurance, you may want to review your cover

As your credit card repayment insurance cover ends on 30 April 2024, you may wish to review your existing life insurance cover. If you have insurance with Chubb Life, please give Chubb Life or your Adviser a call.

Need to make a claim?

If you've had a significant health condition or event, you may be able to make a claim on your policy if the reason you're claiming happened on or before 30 April 2024. If you're unsure or need help, please get in touch.

Please see the latest policy wording which includes full terms, conditions, limits, exclusions, and definitions on this web page.

Here to help

If you have any questions, need to make a claim, or would like to talk about your insurance needs, simply call Chubb Life on 0800 883 012, Monday to Friday from 8am – 6pm (NZT) or send an email to anzccri@chubb.com
