

KIDS SAVINGS TRACKER

I'M SAVING FOR:

\$ _____

NAME _____

HOW THIS WORKS

Got something special to save for? It's heaps easier when you can see how you're doing. So grab your crayons, pencils or felts, and use this cool chart to help you reach your target. First, draw a picture of what you're saving for and how much it costs in the balloon. After that, add \$ targets down the side. Then, colour in the teddy bear – from the bottom up – every time you reach a savings target.
