GUIDE TO KIWISAVER EARLY WITHDRAWAL FOR LIFE-SHORTENING CONGENITAL CONDITIONS

This guide explains which congenital conditions are eligible for an early withdrawal, how to apply and what happens once we receive your application.

If you have a life-shortening congenital condition you could be eligible to withdraw your KiwiSaver savings early. If you're not an existing KiwiSaver member, you can join KiwiSaver and take advantage of all of the benefits that KiwiSaver offers, in the knowledge that you'll be able to apply for a withdrawal at a time that is right for you.

CAN I APPLY FOR A LIFE-SHORTENING CONGENITAL CONDITIONS WITHDRAWAL?

You can apply for an early withdrawal if you were born with a congenital condition that is expected to reduce life expectancy below 65 for you or people in general with the congenital condition.

DOES MY CONGENITAL CONDITION QUALIFY?

The list of conditions that automatically qualify for a life-shortening congenital conditions withdrawal are:

- · Down syndrome
- · Cerebral palsy
- Huntington's disease
- · Fetal alcohol spectrum disorder

If you have one of the four qualifying congenital conditions, your medical practitioner will just need to provide a medical certificate along with your application, confirming that you have that congenital condition.

If you have a life-shortening congenital condition not listed above, you can apply for an early withdrawal by completing the life-shortening congenital conditions withdrawal form. Your medical practitioner will need to provide additional information to support your withdrawal application.

WHO MAKES THE FINAL DECISION?

ANZ Investments is your KiwiSaver scheme provider. However, it's the scheme's supervisor The New Zealand Guardian Trust Company Limited (NZGT) who makes the final decision about your application. NZGT takes into account your individual circumstances and the requirements of the KiwiSaver Act 2006. We ensure you've sent in all the documents and submit them to the supervisor for assessment for you.

HOW LONG UNTIL I GET A DECISION?

Once we've received your application, we aim to pay your withdrawal within 3 weeks. It may take longer if there are public holidays, or we need to ask for additional information from you or Inland Revenue.

HOW DO YOU APPLY FOR AN EARLY WITHDRAWAL?

If you think you're eligible for a life-shortening congenital conditions withdrawal, follow the steps below.

- Complete the life-shortening congenital conditions withdrawal form.
- 2 Collect all of the supporting documents listed in the checklist on page 2 of the form. This includes a completed medical certificate from a medical practitioner.
- Take your completed form to a Justice of the Peace or any other authorised person. You'll need to complete the Statutory Declaration (on page 4 and 5) in front of them and they will witness your declaration.
- Send us your form and all of the supporting documents. You can email/post them to us, or drop them at any ANZ branch.

WHEN CAN I START MAKING WITHDRAWALS?

To make a withdrawal you'll need to complete the life-shortening congenital conditions withdrawal form. Complete this when you're ready to withdraw, as you're unable to set a withdrawal date in advance.

As part of the withdrawal process you'll need to include a medical certificate from a medical practitioner. There are no set ages or timeframes for when you can withdraw related to the congenital condition you have, so if you'd like more certainty please consult your doctor.

HOW MUCH CAN I WITHDRAW?

If you're eligible you can withdraw all of your KiwiSaver savings, either as a lump sum, a partial withdrawal or as a regular (fortnightly, monthly, or quarterly) withdrawal.

Once you make your first withdrawal, you'll no longer be eligible for Government or compulsory employer contributions. If you withdraw all of your KiwiSaver savings, your account will be closed.

Before making a withdrawal application please consider how your withdrawal may impact any social assistance benefits you receive.

Once you've made your first withdrawal, you'll need to complete the subsequent retirement withdrawal form for any subsequent withdrawals. You won't need to provide medical evidence for any subsequent withdrawals.

I'M NOT YET IN KIWISAVER, CAN I JOIN?

Yes, you can join KiwiSaver if you have a life-shortening congenital condition if you are:

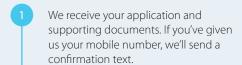

- a New Zealand citizen or entitled to remain in New Zealand indefinitely, and
- · living or normally living in New Zealand.

If you're already a KiwiSaver member with another provider, you can choose to transfer to the ANZ KiwiSaver Scheme at any time.

Visit <u>anz.co.nz/joinkiwisaver</u> to join online. Alternatively, you can join at any ANZ branch or email your application form to us at registry@anzinvestments.co.nz

WHAT HAPPENS ONCE YOU RECEIVE MY APPLICATION?

We check your application and supporting documents. If anything is missing we'll let you know that we need more information. We can't continue to the next step until we have everything we need from you.

When you've given us all the information we need we'll assess your application.

We send your application and supporting documents to the supervisor for a final decision.

We'll let you know the outcome either by text, email or letter.

If your application is approved, we'll make payment to the bank account/s stated on your application form.
