### **ANZ takes home Best Agribusiness Bank for fourth year**

ANZ has taken out CANSTAR's Best Agribusiness Bank award for 2015 – the fourth consecutive year it has won the award.

The award goes to the institution that provides the best combination of products and services to agribusiness customers.

"We're absolutely delighted to win the award for the fourth year," said Graham Turley, ANZ's Managing Director Commercial & Agri.

"This is a tremendous reflection of the hard work and commitment from everyone in our business who provides support for the New Zealand agribusiness industry.

"This award recognises the depth of the expertise we offer, the quality of our products as well as the convenience of services like our 18-hour a day Contact Centre and online banking resources for our rural customers.

"Our business term loans, credit cards and cash management accounts were stand-out features that helped secure this award.

"We were also recognised for our disaster relief support, environmental loans and work in the community."

CANSTAR New Zealand General Manager Jose George said ANZ continues to strengthen its relevance to the agri sector.

"We were really impressed with how ANZ engages with its agri community through free educational seminars and customer workshops . We also like the fact that ANZ has dedicated agri managers in every part of the country," he said.

"ANZ stands out with their rural finance offerings ranging from a Farm Start-up Package through to their Supply Chain Finance. Taking home the award for the fourth year in a row is a considerable achievement; one that ANZ should be very proud of."
