How has the fund performed in the past?

This shows the return after fund fees and tax for each tax year since the fund started and the average annual return since the fund started. It's important to note that this doesn't tell you how the fund will perform in the future.

What fees were members charged?

The returns above are after deductions for **fund fees**². Over the past year these were:

| | % of members' investments |
|------------------------------|---------------------------|
| Total fund fees | 0.92% |
| <i>Which are made up of:</i> | |
| Annual management fee | 0.85% |
| Performance-based fees | 0.00% |
| Other fees and costs | 0.07% |

Members were also charged **membership fees**³ of up to \$24 over the year.

Example of how this applies to a member

Sarah had \$10,000 in the fund at the start of the year and didn't make any further contributions. At the end of the year, Sarah received a return after fund fees and tax were deducted of \$1,084 (that's 10.84% of her initial \$10,000). Sarah also paid \$24 in membership fees³. This gives Sarah a total return of \$1,060 for the year.
