WHAT YOU NEED TO KNOW ABOUT ANZ BANKING PACKAGES

— Our terms and conditions

How does ANZ apply banking package benefits?

Once you're registered and we've checked you're eligible, we'll start applying the benefits to applicable accounts, products, and services you already have — it may take a day or so. We'll also apply the benefits to some new accounts, products, or services you get.

Here's some key things to know:

- You may only be able to get some accounts, products, and services the benefits apply to if you meet account eligibility, lending, or underwriting criteria and other terms, conditions, and exclusions. This is the case even if you're registered and eligible for the banking package.
- We'll record when you registered with us and we don't apply benefits back to when you may first have become eligible for a banking package. We start applying them once we've recorded your registration and checked you're eligible.
- We only apply benefits if you're the account owner — we won't apply benefits to accounts, products, or services unless held jointly with you.
- You will need to ask us to apply the benefits for some specified new types of accounts, products, or services you get. See 'Package benefits' above for which benefits you need to ask us to apply.
- Benefits aren't exclusive to you — we sometimes offer them to the public. If we make specials or limited time offers available publicly, you can apply for these too — but if you do, you won't also get the banking package benefits on those specific accounts, products, or services.
- We may not apply benefits to accounts, products, or services you applied for through a broker and you can't transfer benefits or exchange them for cash.
- If for any reason you didn't get a benefit and you believe you've registered and are eligible, let us know as soon as possible.

When would I stop receiving benefits?

We may remove benefits if any of the things under 'How do I get these ANZ banking package benefits' stop or we decide to stop offering the banking package. For example, we may stop offering a package if our agreement to provide a banking package for an employer or association ends.

Otherwise, benefits will stop one year from registration.

We'll let you know at least 14 days before removing benefits or stopping the package.

What if I become eligible for a different ANZ banking package?

If you're eligible for a different package, for example you've changed roles or employers, you'll need to register for that new package. If you register for more than one package, we'll choose which applies.

Can the benefits or these terms change?

Yes, but we'll let you know at least 14 days before any changes take effect.

Some general things to know

See our General Terms and Conditions or our Privacy Statement on anz.co.nz for how we collect, use, and disclose information about you. We may also confirm with your employer or association that you're eligible for a banking package, including by checking your full salary or wages is credited from your employer to your ANZ account if needed. If your employer or association ask, we can also tell them if you're receiving package benefits.
