

## ANZ KiwiSaver Scheme

### **Growth Fund**

#### What is the purpose of this statement?

This statement provides key information about the ANZ KiwiSaver Scheme Growth Fund. It tells you how the fund has performed and what fees it charged, and will help you to compare it with other funds. We prepared this statement in accordance with the KiwiSaver (Periodic Disclosure) Regulations 2013. This information is not audited and may be updated.

#### Description of the fund

The Growth Fund invests mainly in share and listed property assets, with a smaller exposure to cash and fixed interest assets. It may also invest in alternative assets. The objectives of the Growth Fund are to:

- Consistently deliver positive real investment returns in the form of income and capital growth by investing in a range of asset classes; and
- Achieve investment performance that reflects the level of risk applicable to the Growth Fund's underlying asset classes.
