Calling netball prodigies of Papakura – test your skills this Saturday!

The ANZ Netball Road Show is in town this Saturday and young stars are invited to come and show their skills.

Those wanting to test their skills on the speed pass or ultimate shot games, as well as receive coaching tips, can come down to the Papakura Netball Centre on Saturday.

The Road Show is one of several activities taking place to mark ANZ's new branch in Takanini, which opens on 28 May.

"We wanted to provide a fun activity for the community," says Branch Manager Krystal Talivai.

"The netball courts, and neighbouring rugby and soccer fields, are a real hub of activity in this area and a positive influence on many of our young people.

"It's important that we get involved and be a part of this community. After all, our staff are passionate locals, just like our customers."

The new branch will be located in the Southgate Shopping Centre and will be open seven days.

"People will have more time to come in, have an A to Z review, chat to the business managers we have on site, or make appointments with our mobile managers," says Ms Talivai.

On June 2, there will be an activity day at the branch, with coffee, cupcakes, balloons and face painting.
