ANZ opens new branch in Manukau: Community Fun Day

ANZ is celebrating opening its new Manukau branch with a Community Fun Day this Friday 9 September, and everyone is welcome.

Locals and commuters can satisfy their caffeine cravings from 10am, when a coffee cart onsite will give away free flat whites (and fluffies for the kids).

Local MP Ross Robertson, Member for Manukau East, and Auckland City Councillor Alf Filipaina will be helping out on the complimentary sausage sizzle.

Guests can also try their hand at throws, passes and kicks in a rugby skills game to win a Rugby World Cup 2011 merchandise prize pack valued at \$100. But if you're not much of a Dan Carter, don't worry – you can still enter the draw to win a pack, drawn by Ross Robertson MP at around 2.30pm.

And to celebrate the opening match that evening between Tonga and New Zealand, church group Hebzibah Tongan Youth Group will perform a traditional Tongan dance at 11.30am.

Regional Manager Steve Savage says that ANZ is delighted to be opening another branch in Manukau, bringing the total number of ANZ and National Bank branches in South and East Auckland to 33. "The catchment area is growing rapidly and the new ANZ Manukau will complement our existing branch at Manukau Mall."

"ANZ Manukau was purpose built and it's the largest new style branch in the country, featuring new technology such as deposit ATMs and automatic coin counters as well as internet banking and a children's corner."

Recently the new ANZ Manukau team used their volunteer leave to collect for Daffodil Day at Auckland Airport. All ANZ staff are encouraged to take one paid day's leave every year to help out a charity or community organisation of their choice. Last year 2,230 days of volunteering time was donated by staff.

The new branch is located on the corner of Lambie and Cavendish Drives and is open 9.00am – 4.30pm, Monday to Friday.
