Plus you'll also earn 1 extra Qantas Point per \$1 spent on selected Qantas products and services**, and 1 extra Qantas Point per \$1 spent on Jetstar flights purchased directly from Jetstar[~].

What's more, you'll enjoy Overseas Travel Insurance[#], Transport Accident Insurance[#] and 24/7 concierge service and customer assistance.

* The Account Holder must be a Qantas Frequent Flyer member to earn Qantas Points and notify ANZ of their Qantas Frequent Flyer number. A membership fee may apply. Membership and the earning and redemption of points are subject to the Qantas Frequent Flyer Terms and Conditions available at www.qantas.com/terms

** Selected Qantas and Jetstar products and services are the following items purchased directly from Qantas or Jetstar: Qantas passenger flights (with a QF flight number), Jetstar flights booked through a Jetstar website or by phoning Jetstar customer service, Qantas Frequent Flyer and Qantas Club membership joining and annual fees. [†] The annual spend period runs from 1 April to 31 March.

[#] For more information, please refer to pages 10-11.

If you are not a Qantas Frequent Flyer member you'll need to join to earn Qantas Points on your credit card spend. A NZ\$50 joining fee normally applies but ANZ is offering complimentary Qantas Frequent Flyer membership to Qantas ANZ Visa Account Holders who apply online at qantas.com/joinffqav. Once you receive your membership number, call ANZ on 0800 940 747 (option 4) for us to link it to your account. From that date all Qantas Points earned by you on your Qantas ANZ Visa card will automatically be credited to your Qantas Frequent Flyer account each month.

Please note: Until your Qantas Frequent Flyer membership number is linked to your Qantas ANZ Visa card account we will not be able to automatically credit you with the points earned through your credit card spend. Any points that are not able to be credited to a Qantas Frequent Flyer membership account within six months of being earned will expire. Point expiration is based on the effective date – the date the transaction was made.

Earning extra Qantas Points with an Additional Card

More cards mean more Qantas Points. If you have an Additional Cardholder on your Qantas ANZ Visa card account, any Qantas Points earned on the Additional Cardholder's spend are also added to your points total. As the Primary Account Holder, you remain responsible for all transactions made by the Additional Cardholder and the person you nominate needs to be 15 years or over for a Qantas ANZ Visa card or 18 years or over for a Qantas ANZ Visa Platinum card. If you would like an Additional Cardholder on your account, please ask at your nearest ANZ branch. An Additional Cardholder fee is payable. Additional Cardholders' applications are subject to ANZ approval.

So apply for an Additional Card today and get to where you want to go sooner.

Please note: Qantas Points are awarded to the Primary Account Holder and not to the Additional Cardholder.

The Qantas ANZ Visa card

Take control of your finances

One card for all your accounts

Turn your Qantas ANZ Visa card into an all-in-one debit (for access in New Zealand) and credit card. You can load your cheque and savings accounts on to your card.

This reduces the number of cards you need to carry with you. Ask for more information about this service at any ANZ branch.

Please note: When you access your ANZ cheque and savings accounts using your Qantas ANZ Visa card, the standard cheque and savings account fees will apply and you will not earn Qantas Points on these transactions.

Enjoy up to 44 interest free days

Each month you receive up to 44 interest free days on purchases before you pay any interest. Just pay the Closing Balance of your Qantas ANZ Visa card account in full, by the Due Date shown on your statement. Please note that Cash Advances are different. They attract interest charges from the day of withdrawal.

Choose your own PIN

It's faster and more secure to enter a PIN. To arrange a PIN, choose a suitable four-digit number and visit any ANZ branch with your card. You will need to take with you an appropriate form of identification, such as your driver's licence or ATM card (from ANZ or any other bank).

Remember to memorise your PIN. You must not choose an easily identifiable number, such as a birth date or part of a telephone number. It's important not to write down your PIN and not to disclose it to anyone accidentally or knowingly.

It is important to look after your card. Make sure your signature is on the back, never bend your card or expose it to heat or strong magnetic fields and do not let it rub against other cards with magnetic strips.

Your PIN will also give you access to ATM terminals at home and abroad so remember to load your PIN before travelling overseas.

Your monthly statement

Each month you'll receive a Qantas ANZ Visa card statement clearly listing all the transactions for the period. You can use it to help with planning your finances. And it's also a good idea to keep all your receipts and check them against your statement each month.

You can monitor the balance of your Qantas ANZ Visa card account using your card and PIN at over 1,500 participating ATMs in New Zealand. Alternatively you can call ANZ Phone Direct on 0800 940 747, or visit ANZ Internet Banking at anz.co.nz to register or use.

The Qantas ANZ Visa card

Extra benefits for additional peace of mind

International assistance

If your card is lost or stolen overseas, or you need an emergency card replacement or cash advance, we're ready to assist you 24 hours a day, seven days a week. Simply contact the nearest bank displaying the Visa symbol or place a collect call through your local operator to +1 303 967 1090. You'll be put in touch with the worldwide network of Visa Emergency Assistance Centres. A stop will be put on the missing card, and in most cases an emergency replacement will be issued to you within 48 hours.

Optional Credit Card Repayment Insurance

Credit Card Repayment Insurance gives you peace of mind in the event that you are unable to meet your credit card repayments. If you can't work due to redundancy or temporary disability, Credit Card Repayment Insurance pays 15% of your outstanding balance, at the time of the incident, each month until you return to full time employment or until specific maximum payment levels have been reached. This means not only are your minimum repayments covered but you can continue to use your card at a time when a little extra credit can really help.

It also pays off your entire outstanding balance, up to a maximum of \$60,000, in the event of your death, diagnosis of a terminal illness, or permanent disability, or to a maximum of \$30,000 on the diagnosis of a critical illness (such as cancer, heart attack or stroke), or in the event of bankruptcy. If you would like further information please contact your local ANZ branch for an application form.

Commission-free foreign currency (Platinum cardholders only)

As a Qantas ANZ Visa Platinum cardholder, you won't pay commission when you purchase foreign currency through any ANZ branch in New Zealand. Simply bring your Qantas ANZ Visa Platinum card with you for identification.

Flexible payment options

You can avoid any interest charges by paying the Closing Balance of your statement in full by the Due Date. This excludes cash advances, which incur interest on a daily basis from the date the cash advance is made until the date it is repaid in full. Your minimum payment obligation is 3% of your Closing Balance or \$10, whichever is greater. And if you pay more than this, you can reduce your interest costs. Whichever payment option you choose, make sure the payment is credited to your ANZ Credit Card account by the Due Date; that way you will avoid the late payment fee.

ANZ Internet Banking: If you hold an ANZ transaction or savings account you can pay your Qantas ANZ Visa card account using ANZ Internet Banking. To register for Internet Banking call 0800 940 747 or visit anz.co.nz for details.

ANZ Internet Banking also enables you to pay other bills, check your available credit limit, transfer funds from other ANZ accounts and transfer balances from any other banks' credit cards that you hold.

ANZ Phone Banking: An easy and convenient way to manage your Qantas ANZ Visa card, 24 hours a day, seven days a week. Use ANZ Phone Direct from anywhere in New Zealand or overseas to:

- Check your last two credits
- Check your last 10 transactions
- Check the full Closing Balance of your card as at the last statement date
- Check the minimum payment due on your card
- Transfer funds to pay your credit card (available to ANZ cheque and savings account holders only).

To register ring 0800 940 747, or ask at any ANZ branch. Full details of terms and conditions and fees for ANZ Phone Direct are available from any branch of ANZ.

Direct Debit: With a Direct Debit set up you won't have to worry about missing the Due Date and incurring late payment fees. You can set up a Direct Debit to pay the full amount owed on your card, a fixed monthly amount or the minimum payment due. Each month, the payment option you have selected will be paid automatically from your bank account. You can complete a Direct Debit form at any ANZ branch or phone 0800 940 747 and we will send you one in the post.

Please note: A Direct Debit can be set up from any bank to pay your Qantas ANZ Visa card account.

ATM: Once you have loaded your ANZ cheque and savings accounts onto your Qantas ANZ Visa card, you can use over 1,500 ATMs around the country to access your account by PIN and transfer funds at the touch of a button.

By post: To make a postal payment please make a cheque out to ANZ Credit Cards and post it with your payment slip to: ANZ Cards, Private Bag 92051, Auckland Mail Centre.

- 7.2 To earn Points, the Card account must be used wholly and exclusively for Your private and domestic expenditure. Where ANZ has reason to believe that the expenditure is of a business nature, these transactions will not earn Points.

8. Cancellation of points

- 8.1 Qantas or ANZ may cancel or suspend Points if Your Card account is in arrears, suspension or default, or if Your Card account is, or is reasonably suspected to be, operated fraudulently.
- 8.2 Points at the time of Your death will be cancelled and may not be claimed by any other person.

9. Refunds

- 9.1 When You obtain a refund or reimbursement for charges previously incurred (for example, for returned merchandise) a 'credit' will be issued to Your Card account in the amount of the reimbursement granted. Such credits posted to Your Card account, including but not limited to those arising from returned goods or services, will reduce the Points accrued to Your Card account in proportion to the adjustment, at the rate at which Points are earned at the time of the refund.
- 9.2 There will be no compensation for Points that are cancelled or deemed by Qantas or ANZ to expire.

10. Missing points

- 10.1 Requests for missing Points must be submitted in writing to ANZ and must be accompanied by a legible copy of the relevant sales receipts or Card account statement. ANZ will investigate all queries and ANZ will be the final arbiter in the event of any dispute.

11. Amendment and termination of terms and conditions

- 11.1 ANZ may amend or terminate these terms and conditions at any time without giving any reason. ANZ will notify You of changes to, or termination of, these terms and conditions in a manner determined by ANZ.

12. General

- 12.1 Use of Your Card and Card account is governed by the ANZ Credit Card Conditions of Use.

Tiungarangi and Harongarangi

By Cliff Whiting

The Two Birds graphic has been created by prominent Maori artist Cliff Whiting, a leading proponent of modernising Maori imagery and culture. His iwi (tribe) is Whanau-a-Apanui from the east coast of the North Island, noted for expertise in carving and design.

Dr Whiting has worked on many carved buildings and the Two Birds graphic is based on dry rock shelter designs dating from early Maori settlement of Aotearoa New Zealand. The forms depict the giant mythical birds that lived in the mountains and glided effortlessly over the valleys and plains of Aotearoa, carrying goods and people. One is named Tiungarangi, meaning 'ride the winds in the sky', the other is Harongarangi – 'glide along in the sky'.
