■ **Balanced Growth Fund**

What is the purpose of this statement?

This statement provides key information about the ANZ Default KiwiSaver Scheme Balanced Growth Fund. It tells you how the fund has performed and what fees it charged, and will help you to compare it with other funds. We prepared this statement in accordance with the KiwiSaver (Periodic Disclosure) Regulations 2013. This information is not audited and may be updated.

Description of the fund

The Balanced Growth Fund invests mainly in share and listed property assets, with some exposure to cash and fixed interest assets. It may also invest in alternative assets. The objectives of the Balanced Growth Fund are to:

- Consistently deliver positive real investment returns in the form of income and capital growth by investing in a range of asset classes; and
- Achieve investment performance that reflects the level of risk applicable to the Balanced Growth Fund's underlying asset classes.

Notes

¹ On 1 July 2014 the OnePath KiwiSaver Scheme was renamed the ANZ Default KiwiSaver Scheme.

² Returns in this statement are after tax at the highest prescribed investor rate (PIR) of tax for an individual New Zealand resident. Your tax rate may be lower.

³ Fund fees are fees charged as a percentage of a member's interest in the fund (i.e. as a percentage of their KiwiSaver account balance). From 1 July 2014 the management fee increased from a maximum of 0.55% to a maximum of 0.95%.

⁴ Membership fees are the fixed dollar charges for membership in the KiwiSaver scheme. We may, generally or in respect of any particular member, waive part or all of any fee payable to us. From 1 July 2014 the membership fee reduced from a maximum of \$33 per member per year to a maximum of \$24 per member per year.
