PRODUCT DISCLOSURE STATEMENT

10 AUGUST 2018

ISSUER AND MANAGER: ANZ NEW ZEALAND INVESTMENTS LIMITED

This product disclosure statement replaces the product disclosure statement dated 24 November 2017.

This document gives you important information about this investment to help you decide whether you want to invest. There is other useful information about this offer on companiesoffice.govt.nz/disclose. ANZ New Zealand Investments Limited has prepared this document in accordance with the Financial Markets Conduct Act 2013. You can also seek advice from a financial adviser to help you make an investment decision.
1. KEY INFORMATION SUMMARY

What is this?
This is a managed investment scheme. Your money will be pooled with other investors’ money and invested in various investments. ANZ New Zealand Investments Limited (ANZ Investments, we, us and our) will invest your money and charge you a fee for its services. The returns you receive are dependent on the investment decisions of ANZ Investments and the performance of the investments. The value of those investments may go up or down. The types of investments and the fees you will be charged are described in this document.

What will your money be invested in?
ANZ KiwiSaver Scheme (scheme) offers six funds. There is also a Lifetimes option, where your KiwiSaver savings are invested in one of our funds based on your age. These investment options are summarised over the page. More information about the investment target and strategy for each investment option is provided at page 10.

Who manages the scheme?
ANZ Investments is the manager of the scheme. See page 16 for more information.

How can you get your money out?
You can begin withdrawing your KiwiSaver savings when you turn 65, provided you’ve been a member of a KiwiSaver scheme or complying superannuation fund (if you transferred from that fund) for at least five years. In limited circumstances, you may be able to withdraw some, or all, of your KiwiSaver savings early. See page 8 for more information.

How will your investment be taxed?
The scheme is a portfolio investment entity (PIE). The amount of tax you pay in respect of a PIE is based on your prescribed investor rate (PIR). This can be 10.5%, 17.5% or 28%. See section 6 of the PDS (What taxes will you pay?) on page 16 for more information.

Where can you find more key information?
ANZ Investments is required to publish quarterly updates for each fund. The updates show the returns, and the total fees actually charged to investors, during the previous year. The latest fund updates are available at anz.co.nz/fundupdates. The manager will also give you copies of those documents on request.

2. HOW DOES THIS INVESTMENT WORK?

This scheme is a trust, registered under the Financial Markets Conduct Act 2013 as a KiwiSaver scheme.

KiwiSaver is a long-term savings initiative, designed to help you save for your retirement. Generally, you can only gain access to your KiwiSaver savings when you’re eligible for a retirement withdrawal.

See page 8 for more information.

Your KiwiSaver account may be made up of contributions from you, your employer and the Government. These contributions are invested in a fund, or funds, of your choice.

What is a fund?

A fund is a pool of money made up of the KiwiSaver savings of the members invested in that fund. A fund invests in one or more asset classes, with the aim of growing the savings in your KiwiSaver account over time.

The scheme has six funds, each with different levels of risk and expected return.

The assets of one fund are not available to be applied to meet the liabilities of any other fund.

How your savings are invested in a fund

Your KiwiSaver savings are invested in a fund, or funds, of your choice.

Every time a contribution is made to your KiwiSaver account, you receive units in the fund, or funds, you’re invested in. The number of units you receive depends on the price of the units at the time of the contribution. The price of a unit depends on the value of the fund. The number of units you have, when multiplied by the unit price, represents the value of your KiwiSaver savings in a fund, not including unpaid tax or tax rebates.

The savings in your KiwiSaver account grow when your fund’s unit price increases. This will happen when the assets that the fund invests in increase in value. Of course, your savings can also go down when the assets the funds invest in decrease in value – although the aim over the long term is to achieve a positive return in most years.

See page 10 for more information.

THE BENEFITS OF OUR INVESTMENT APPROACH

As your KiwiSaver savings are pooled with the savings of other members, you can benefit from:

- **A fund to suit you**
  Providing you with a range of investment options.

- **Diversification**
  A wide variety of investments and broad diversification.

- **Active management**
  We aim to select assets that we believe will perform strongly over the long term.

- **Experienced managers with a long history of strong performance**
  Our team does all the research and work for you (and they’re very good at it).
How do I choose a fund?
You decide which of the funds your KiwiSaver savings are invested in. You can choose between them by selecting:

• our Lifetimes option, where your KiwiSaver savings are moved through our funds based on your age

OR

• from our funds yourself.

See page 10 for more information.

If you don’t tell us your choice, and we:

• know your date of birth, your savings will be invested in our Lifetimes option

• don’t know your date of birth, your savings will be invested in our Conservative Fund.

If you need help choosing a fund, you can seek financial advice or work out your risk profile at anz.co.nz/riskprofiletool.

Joining the scheme

If you’re a KiwiSaver member
If you’re already a KiwiSaver member, you can transfer to the scheme at any time. You should compare your current scheme and consider any benefits you currently receive before transferring schemes.

If you’re not a KiwiSaver member
To be eligible to join KiwiSaver, you must be:

• a New Zealand citizen or entitled to remain in New Zealand indefinitely

• living or normally living in New Zealand

• under the qualifying age for New Zealand Superannuation (currently 65 years).

If you’ve been automatically enrolled in KiwiSaver
If you were automatically enrolled in KiwiSaver by your employer and you decide KiwiSaver isn’t for you, you have 56 days from, and including, the day you start your new job to opt out of the scheme.

Get an opt-out request form (KS10) at anz.co.nz/kiwisaverforms.
Making investments

There are a number of ways contributions can be made to your KiwiSaver account.

Employee contributions

Employee contributions must be a minimum of 3% of your before-tax pay. Your employer will deduct this from your after-tax pay.

You can choose to increase this to 4% or 8% by filling in a KS2 form.

If you change employers, your contribution rate will go back to 3%, unless you complete another KS2 form.

You can get a KS2 form at anz.co.nz/kiwisaverforms.

Taking a contributions holiday

You can apply to stop contributions from your pay – but you generally have to wait 12 months after your first KiwiSaver contribution is paid to Inland Revenue (unless you’re in financial hardship).

See kiwisaver.govt.nz for more information.

Employer contributions

Your employer is generally required to contribute at least 3% of your before-tax pay, as long as you’re:

- contributing to your KiwiSaver account from your pay, and
- 18 and over and not yet eligible for a retirement withdrawal.

If you have a total remuneration employment agreement, your employer doesn’t have to contribute to KiwiSaver on top of your pay. Under these agreements, your employer’s contributions may come out of your total pay. If you’re unsure whether this applies to you, talk to your employer.

Your employer’s contribution is taxed. This tax is called employer’s superannuation contribution tax (ESCT) and you can find more information on this from Inland Revenue.

Options when you’re 65 and older

If you’re eligible for a retirement withdrawal your:

- employee contributions will continue unless you ask your employer to stop them, and
- employer contributions will be at the discretion of your employer.

You can continue to make voluntary contributions.

What if you’re already in another superannuation scheme?

Joining KiwiSaver may affect the contributions you and your employer make to your existing superannuation scheme. For example, it may mean that you’re required to contribute to both your KiwiSaver account and superannuation scheme.

Voluntary contributions

Anyone can make voluntary contributions to your KiwiSaver account for any amount using:

<table>
<thead>
<tr>
<th>Method</th>
<th>Instructions</th>
</tr>
</thead>
<tbody>
<tr>
<td>ANZ Internet Banking or ANZ goMoney</td>
<td>Transfer money directly to your ANZ KiwiSaver Scheme account from any ANZ transactional account.</td>
</tr>
<tr>
<td>Internet banking, phone banking or in branch</td>
<td>Select ‘ANZ KiwiSaver Scheme’ from the Bill Payee list, or make your payment to:</td>
</tr>
<tr>
<td></td>
<td>ANZ KiwiSaver Clearing Account</td>
</tr>
<tr>
<td></td>
<td>ANZ 01-0102-0952766-01</td>
</tr>
<tr>
<td>Cheque</td>
<td>Send us a cheque made out to ‘ANZ KiwiSaver Scheme’.</td>
</tr>
<tr>
<td></td>
<td>See page 16 for our address.</td>
</tr>
<tr>
<td>Direct debit</td>
<td>Complete the direct debit form at the back of this PDS.</td>
</tr>
</tbody>
</table>

Important:

- Remember to include your surname, date of birth and investor number as the references when you make a payment.
- If you don’t provide us with the correct details, we can’t credit your KiwiSaver account with the amount you pay.
- It usually takes up to five business days for a voluntary contribution to reach your KiwiSaver account.
You must keep $1,000 in your KiwiSaver account in addition to any amount transferred from an Australian complying superannuation scheme.

See anz.co.nz/kiwisaverfirsthome for more information.

Early withdrawals

Significant financial hardship

You may be able to make an early withdrawal if you're unable to meet essential expected costs such as living and medical costs. Other circumstances can also count as significant financial hardship.

You cannot withdraw the kick-start (if applicable) or any member tax credits. You'll receive the amount that, in the supervisor’s opinion, is needed to alleviate your hardship.

Serious illness

You may be able to make an early withdrawal if you have an injury, illness or disability that has you:

- totally and permanently unable to work at a job that your education, training or experience makes you suited to, or
- at serious risk of dying very soon.

The supervisor will determine whether you're eligible for an early withdrawal for serious illness.

Permanent emigration to Australia

If you've left New Zealand to live permanently in Australia, you can transfer your KiwiSaver savings to an Australian complying superannuation scheme that is willing to accept the transfer.

Permanent emigration to countries other than Australia

If at least one year has passed since you left New Zealand to live permanently overseas, other than to Australia, you can make an early withdrawal.

You cannot withdraw the member tax credits or any amount transferred from an Australian complying superannuation scheme.

First home withdrawal

You may be able to make a withdrawal to buy a home, or land to build on.

You can make a withdrawal if all of the following apply:

- you've been a member of a KiwiSaver scheme or complying superannuation fund (if you transferred from that fund) for a combined total of at least three years
- you intend to live mostly in the property you're buying
- you've never before owned your own property (except for a few limited circumstances)
- you've not made a first home withdrawal before
- the property you're buying is in New Zealand.

Withdrawing your investments

Retirement withdrawal

You can begin withdrawing your KiwiSaver savings when you turn 65, as long as you've been a member of KiwiSaver or a complying superannuation fund for at least five years. There are three options:

1. Leave your savings in your KiwiSaver account until you need them.
2. Withdraw some of your savings.
   You can arrange regular withdrawal amounts of at least $200 per fortnight, $400 per month or $1,000 per quarter. Or you can withdraw larger instalments as and when you need them (the minimum amount you can withdraw in a lump sum is $1,000). We can change the minimum withdrawal amounts at any time.
3. Withdraw all of your savings and close your account.

If you choose option one or two, you can continue to contribute, but you'll no longer be eligible for the member tax credit and employer contributions will be at the discretion of your employer.

See page 15 of the guide for information on the member tax credit.

See anz.co.nz/retire for more information.

Australian savings at age 60

If you've transferred your savings from an Australian complying superannuation scheme and you're retired, you may be able to withdraw those savings when you turn 60.

Other ways to withdraw

- If you've transferred savings from a foreign superannuation scheme to a KiwiSaver scheme, you may be required to pay additional tax or make a student loan repayment. If this is the case, you may be able to withdraw some of your KiwiSaver savings to meet the repayment.
How to switch between funds

You can switch your KiwiSaver savings from one fund to another fund within the scheme, or switch to our Lifetimes option. To make a switch:

- log onto ANZ Internet Banking
- call us on 0800 736 034, or
- complete a change form available at anz.co.nz/kiwisaverforms.

We can set requirements for switching, including minimum switch amounts and restrictions on redirecting contributions to another fund.

We can postpone switches in certain limited circumstances set out in the governing document.

- If you die while you’re a member of the scheme, your KiwiSaver savings will be paid to your personal representative. If the amount of your KiwiSaver savings is $15,000 or less, we’ll pay your KiwiSaver savings in line with the Administration Act 1969.
- Some laws, such as the Property (Relationships) Act 1976, may require us to pay some or all of your KiwiSaver savings to someone else.
- You can transfer to another KiwiSaver scheme at any time, if the other provider is willing to accept the transfer.

To find out how to make an early withdrawal see anz.co.nz/earlywithdrawal.

We can postpone withdrawals in certain limited circumstances set out in the governing document.
## 3. Description of Your Investment Options

### Important

- We cannot guarantee that each fund’s investment objectives will be achieved.
- For the Lifetimes option, your savings will be invested in one of our funds based on your age, as shown above. When you reach the next age range, we move your savings to the fund for your age.
- Further information about the assets in each fund can be found in the fund updates at anz.co.nz/fundupdates.
More information about how our funds invest

Our statement of investment policy and objectives (SIPO) contains information about how our funds invest. It details the objectives, strategies, target investment mix and ranges, and underlying external fund managers.

We use underlying funds

Our funds invest in underlying funds that we manage. The assets of the underlying funds can be selected by us or external fund managers.

We vary the investment mix

We vary the investment mix by adjusting allocations to asset classes depending on how we expect them to perform in the future. We also vary the investment mix to manage risk and cash flow.

We can make changes to our investment options

We can make changes to the SIPO after consulting with the supervisor without letting you know. Material changes to the SIPO will be included in the scheme’s annual report.

The current SIPO is available on the offer register at companiesoffice.govt.nz/disclose (Click SEARCH OFFERS and search for ‘ANZ KiwiSaver Scheme’).

We can also make changes to the age ranges and associated funds within our Lifetimes option at any time. If we do, we’ll tell everyone who is invested in the Lifetimes option.

Responsible investment

Responsible investment, including environmental, social, and governance considerations, is taken into account in the investment policies and procedures of the scheme as at the date of this product disclosure statement. You can obtain an explanation of the extent to which responsible investment is taken into account in those policies and procedures at our internet site at:

anz.co.nz/responsibleinvesting.
4. WHAT ARE THE RISKS OF INVESTING?

Understanding the risk indicator

Managed funds in New Zealand must have a standard risk indicator. The risk indicator is designed to help investors understand the uncertainties both for loss and growth that may affect their investment. You can compare funds using the risk indicator.

<table>
<thead>
<tr>
<th>Lower risk</th>
<th>Potentially lower returns</th>
</tr>
</thead>
<tbody>
<tr>
<td>1, 2, 3</td>
<td></td>
</tr>
<tr>
<td>4, 5, 6</td>
<td>Potentially higher returns</td>
</tr>
<tr>
<td>7</td>
<td></td>
</tr>
</tbody>
</table>

See pages 10 to 11 for the risk indicators that apply to each of our funds.

The risk indicator is rated from 1 (low) to 7 (high). The rating reflects how much the value of the fund's assets goes up and down (volatility). A higher risk generally means higher potential returns over time, but more ups and downs along the way.

To help you clarify your own attitude to risk, you can seek financial advice or work out your risk profile at anz.co.nz/riskprofiletool.

Note that even the lowest category does not mean a risk-free investment, and there may be other risks that are not captured by this rating.

This risk indicator is not a guarantee of a fund’s future performance. The risk indicator is based on the returns data for the five years to 30 June 2018. While risk indicators are usually relatively stable, they do shift from time to time. You can see the most recent risk indicator in the latest fund update for each fund.

General investment risks

Some of the things that may cause a fund’s value to move up and down, which affect the risk indicator, are:

- **Market risk**
  Risk that an asset’s, or an asset class’s, market value may change due to a number of factors. These can include changes in the economy, the performance of individual entities, the regulatory environment, investor sentiment, political events, inflation, and interest and currency rates.

  The level of market risk a fund is exposed to depends on the asset classes it invests in. For example, equities and listed property assets are considered to be more risky than cash and cash equivalents, and fixed interest assets.

  Investing in a multi-asset-class fund means poor performance by a single asset class has less impact on your investment. In addition, investment losses from one asset class may well be offset by investment gains from another.

- **Currency risk**
  Risk of changes in currency exchange rates. Assets denominated in foreign currencies face currency risk.

  For example, for a fund with foreign currency exposure, if the New Zealand dollar increases in value against a given foreign currency, all else being equal, the New Zealand dollar value of the fund will fall.

- **Liquidity risk**
  Risk that an asset cannot be sold at the desired time (and at recent market value).

  Such illiquid assets may impact your ability to withdraw, transfer or switch your investment.

- **Active management risk**
  Risk that arises from our, or our external fund managers, active management of investments. All of the funds are actively managed.

  For example, if we choose investments that underperform, or we mis-time market changes, returns may be lower.

- **Derivative risk**
  Risk that arises from the use of derivatives where the value is derived from the performance of another asset, an index (such as a share market index or a commodity index), an interest rate or an exchange rate.

  For example, investment losses could be caused by the other party to the derivatives contract failing to meet its contract obligations.

For more information on risks, see the ‘other material information’ document available on the offer register at companiesoffice.govt.nz/disclose (Click SEARCH OFFERS and search for ‘ANZ KiwiSaver Scheme’).
5. WHAT ARE THE FEES?

You will be charged fees for investing in the scheme. Fees are deducted from your investment and will reduce your returns. If ANZ Investments invests in other funds, those funds may also charge fees. The fees you pay will be charged in two ways:

- regular charges (for example, annual fund charges). Small differences in these fees can have a big impact on your investment over the long term
- one-off fees (currently none).

**Annual fund charges**

<table>
<thead>
<tr>
<th>Fund</th>
<th>Annual fund charge (percentage of net asset value of each fund)</th>
<th>Other charges</th>
</tr>
</thead>
<tbody>
<tr>
<td>Growth Fund</td>
<td>1.11%</td>
<td>Membership fee of $2 each month ($24 each year)</td>
</tr>
<tr>
<td>Balanced Growth Fund</td>
<td>1.06%</td>
<td></td>
</tr>
<tr>
<td>Balanced Fund</td>
<td>1.01%</td>
<td></td>
</tr>
<tr>
<td>Conservative Balanced Fund</td>
<td>0.96%</td>
<td></td>
</tr>
<tr>
<td>Conservative Fund</td>
<td>0.96%</td>
<td></td>
</tr>
<tr>
<td>Cash Fund</td>
<td>0.42%</td>
<td></td>
</tr>
</tbody>
</table>

The annual fund charge:

- is made up of our management fee, the supervisor’s fee, fund expenses, and fees and expenses of underlying funds
- is calculated as a percentage of the net asset value of the fund
- includes GST where applicable
- is calculated daily and will reduce a fund’s unit price.

The annual fund charge is capped, so you won’t pay more than the amounts set out in the table above. However, the actual annual fund charge you pay may be lower than these amounts because, when calculating the cap, we estimate the supervisor’s fee, expenses of the funds, and fees and expenses of underlying funds.

You can find more information on our annual fund charge and how it is calculated on the offer register at companiesoffice.govt.nz/disclose (Click SEARCH OFFERS and search for ‘ANZ KiwiSaver Scheme’).

**Other charges**

We charge you a membership fee of $2 per month following the end of each month ($24 each year) for looking after your KiwiSaver account.

If you’re invested in more than one fund, this fee will be deducted from the fund with the highest balance.

We don’t currently charge any contribution, establishment, switching, termination or withdrawal fees.

**No additional fee for selecting the Lifetimes option**

If you select the Lifetimes option, you won’t pay any additional fees. You’ll be charged:

- the annual fund charge that applies to the fund you’re invested in
- the membership fee, as described above.

**The fees can be changed**

We can agree to reduce fees for some groups of members under certain circumstances.

We can change fees from time to time, and can introduce new fees, however fees and expenses must not be unreasonable. If we increase fees or introduce new fees, we’ll let you know.

We must publish a fund update for each fund showing the fees actually charged during the most recent year.

Fund updates, including past updates, are available at anz.co.nz/fundupdates.
Daniel invests $10,000 in the Conservative Balanced Fund. He is not charged an establishment fee or a contribution fee. This means the starting value of his investment is $10,000. He is charged management and administration fees, which work out to about $96 (0.96% of $10,000). These fees might be more or less if his account balance has increased or decreased over the year. Over the next year, Daniel pays other charges of $24.

Estimated total fees for the first year

Fund charges: $96
Other charges: $24

See the latest fund update for an example of the actual returns and fees investors were charged over the past year. This example only applies to the Conservative Balanced Fund. If you are considering investing in other funds or investment options in the scheme, this example may not be representative of the actual fees you may be charged.
6. WHAT TAXES WILL YOU PAY?

The scheme is a portfolio investment entity. The amount of tax you pay is based on your prescribed investor rate (PIR). To determine your PIR, go to ird.govt.nz/toii/pir/workout/. If you are unsure of your PIR, we recommend you seek professional advice or contact the Inland Revenue Department.

It is your responsibility to tell us your PIR when you invest or if your PIR changes. If you do not tell us, a default rate may be applied. If the advised PIR is lower than the correct PIR, you will need to complete a personal tax return and pay any tax shortfall, interest and penalties. If the default rate or the advised PIR is higher than the correct PIR, you will not get a refund of any overpaid tax.

Provided you’ve given us the correct PIR, there is nothing you need to do. We arrange for all taxes that apply to your KiwiSaver account to be paid (or refunded). This is done by cancelling (or issuing) units in your KiwiSaver account. We do this at the end of the tax year (following 31 March), or earlier if:

- you withdraw, transfer or switch all of your savings from a fund
- the value of your units is so low that it doesn’t meet your expected tax liability.

7. WHO IS INVOLVED?

ANZ Investments is the manager

We’re the manager of the scheme and are responsible for its management and administration.

You can contact us at:

- service@anzinvestments.co.nz
- 0800 736 034
- ANZ Investments – Customer Services
  ANZ Centre, 23-29 Albert Street, Auckland
  Freepost 324, PO Box 7149, Wellesley Street, Auckland 1141

We’re a wholly owned subsidiary of ANZ Bank New Zealand Limited.

Investments in the scheme aren’t deposits in ANZ Bank New Zealand Limited, Australia and New Zealand Banking Group Limited, or their subsidiaries (together ‘ANZ Group’), nor are they liabilities of ANZ Group. ANZ Group doesn’t stand behind or guarantee ANZ Investments. Investments are subject to investment risk, including possible delays in repayment, and loss of income and principal invested. ANZ Group won’t be liable to you for the capital value or performance of your investment.

Your investment in the scheme isn’t guaranteed by ANZ Group, The New Zealand Guardian Trust Company Limited, any of their directors or any other person. The Government doesn’t guarantee any KiwiSaver scheme or any fund in any KiwiSaver scheme.

Who else is involved?

9. WHERE YOU CAN FIND MORE INFORMATION

Further information about the scheme is available:

<table>
<thead>
<tr>
<th>In our guide</th>
<th>A helpful guide to the scheme, including case studies, information about how to choose a fund and how to make the most of KiwiSaver.</th>
</tr>
</thead>
<tbody>
<tr>
<td>On our website</td>
<td>Valuable information and resources to help you manage your KiwiSaver account, including forms, online tools, fund performance, unit prices, market reviews and fund updates.</td>
</tr>
<tr>
<td>On Disclose</td>
<td>Disclose is a website that contains two registers – an offer register and a scheme register. These include current information on the scheme, including the governing document, financial statements, SIPO and PDS. Search ‘ANZ KiwiSaver Scheme’ on both the offer and scheme registers.</td>
</tr>
</tbody>
</table>

You can make a request to the Registrar of Financial Service Providers for a copy of the information on Disclose. You can contact them by:

- 03 962 6162
- Registrar of Financial Service Providers
  c/- The Companies Office
  135 Albert Street, Auckland
  Private Bag 92061, Victoria Street West,
  Auckland 1142

You can also obtain a copy of this information free of charge by contacting us.

10. HOW TO APPLY

- **Visit us in branch**
  Visit any ANZ branch and talk to us.

- **Apply online**
  Visit anz.co.nz/joinkiwisaver.

- **Call us**
  We are open weekdays
  8am – 6pm
  0800 736 034.

- **Application form**
  Complete the relevant application form at the back of the PDS.

You’ll need to have your IRD number.
1. Your information

I am 18 or older and my date of birth is D D M M Y Y Y Y (if you’re under 18, complete Form B)

[ ] Mr [ ] Miss [ ] Mrs [ ] Ms [ ] Other

Gender [ ] Male [ ] Female

First Name(s)
Surname

Home address
Postal address (if different from your home address)

Home phone
Mobile
Email

Country of birth
Occupation

Are you a New Zealand citizen or entitled to remain in New Zealand indefinitely? [ ] Yes [ ] No

IRD number [ ] (call Inland Revenue on 0800 775 247 for help)

Prescribed investor rate
[ ] 10.5% [ ] 17.5% [ ] 28% (visit anz.co.nz/pirupdate or call 0800 736 034 for help)

ANZ customer (or investor) number [ ] (if known)

2. Are you transferring from another KiwiSaver scheme?

[ ] Yes (we will arrange for your savings to be transferred from your current KiwiSaver scheme to the ANZ KiwiSaver Scheme). Transfers usually take up to six weeks.

3. Contributions

From your pay if you’re an employee

If you’re new to KiwiSaver, make sure to let your employer know so they can deduct your contributions from your pay.

Let your employer know how much you’d like to contribute from your pay by completing a KS2 form and giving it to your employer. If you don’t choose a contribution rate, you will contribute 3%. The form is available at anz.co.nz/kiwisaverforms.

Voluntary contributions for anyone

I (or a third party on my behalf) will make:

[ ] regular contributions by direct debit (complete and include Form C)

[ ] a contribution of $ [ ] (see page 7 for ways you can make voluntary contributions)
4. Where would you like your KiwiSaver savings invested? (tick one)

- Lifetimes option
- Cash Fund
- Conservative Fund
- Conservative Balanced Fund
- Balanced Fund
- Balanced Growth Fund
- Growth Fund

5. Confirming your identity (tick the documents you’re sending us)

We’ll need to verify:

(A) your identity by receiving a certified or verified copy of one of the following (which must be current):
- passport
- firearms licence

(B) your residential address by receiving a certified or verified copy of one of the following (which can’t be more than three months old):
- bank statement
- power bill
- home phone bill
- Inland Revenue statement

You can take documents to an ANZ branch to be verified. If you don’t have any of these documents, see anz.co.nz/myid for our full list of acceptable documents. This website also describes other ways documents can be certified.

6. Your agreement

By signing this application form, you confirm that you have received and read the ANZ KiwiSaver Scheme product disclosure statement dated 10 August 2018 and that you agree to be bound by the ANZ KiwiSaver Scheme’s terms and conditions. These are set out in the product disclosure statement, online register entry, application form and governing document. You are also confirming that you understand:

- your contributions will be deducted from your pay (if you’re an employee)
- you cannot generally cash in your investment before you’re 65 and:
  - Inland Revenue received a contribution to a KiwiSaver scheme for you at least five years ago, or
  - you have been a member of a KiwiSaver scheme (and a complying superannuation fund) for five years
- the value of your investment can move up and down over time
- the savings in your KiwiSaver account are not guaranteed by anyone
- if applicable, you have considered and compared the benefits of your current scheme before transferring to the ANZ KiwiSaver Scheme
- by providing your email address, you agree to receive emails from ANZ Investments (or its related companies) about your investment (including annual reports) and, from time to time, any other relevant product or service offers
- by providing a mobile number, you agree to receive text messages from ANZ Investments
- that information about you will be collected and held by ANZ Investments, the supervisor and the ANZ Group who may:
  - use your information and disclose it to each other and any other party to administer your investment account and promote to you and administer other products offered by ANZ Investments or our related companies
  - use your information and disclose it to each other and any other party (including any government authority) to comply, or decide what to do to comply, with any law in New Zealand or overseas applying to us, you or the accounts, products or services we provide you
  - disclose your information to your financial adviser (including their staff)
  - otherwise collect, use and disclose your information in accordance with our privacy policy, which is the same as ANZ Bank New Zealand Limited’s and can be found in the security and privacy statement section on anz.co.nz. For example, our privacy policy includes how we use your information for data analysis and market research, and
- that you can access or correct your personal information by calling 0800 736 034 or asking at any ANZ branch. We may charge you a fee to access the information we have about you.

1. The applicant’s information

Date of birth

Gender

First Name(s)
Surname
Home address
Postal address (if different from your home address)
Home phone
Mobile
Email
Country of birth
Occupation (if applicable)

Is the applicant a New Zealand citizen or entitled to remain in New Zealand indefinitely?  Yes  No

IRD number

Prescribed investor rate

ANZ customer (or investor) number

2. Is the applicant transferring from another KiwiSaver scheme?

Yes (we will arrange for the applicant’s savings to be transferred from their current KiwiSaver scheme to the ANZ KiwiSaver Scheme). Transfers usually take up to six weeks.

3. Contributions

The applicant (or a third party on the applicant’s behalf) will make:

- regular contributions by direct debit (complete and include Form C)
- a contribution of $ (see page 7 for ways you can make voluntary contributions)

4. Where does the applicant want his/her KiwiSaver savings invested? (tick one)

- Lifetimes option
- Cash Fund
- Conservative Fund
- Conservative Balanced Fund
- Balanced Fund
- Balanced Growth Fund
- Growth Fund
5. Confirming the applicant’s identity and residential address (for 16 and 17-year-old applicants only)

If the applicant is 16 or 17 years old, we’ll need to verify:

(A) his/her identity by receiving a certified or verified copy of one of the following (which must be current):

- [ ] passport
- [ ] firearms licence

(B) his/her, or his/her guardian’s, residential address by receiving a certified or verified copy of one of the following (which can’t be more than three months old):

- [ ] bank statement
- [ ] power bill
- [ ] home phone bill
- [ ] Inland Revenue statement

You can take documents to an ANZ branch to be verified. If you don’t have any of these documents, see anz.co.nz/myid for our full list of acceptable documents. This website also describes other ways documents can be certified.

6. The applicant’s parent(s)/guardian(s) and who needs to sign this application form

If the applicant is:

- 15 or under and:
  - joining KiwiSaver for the first time
  - already a member of a KiwiSaver scheme
  ⇒ all parents/guardians or one CYPFA Guardian must sign

- 16 or 17 and:
  - joining KiwiSaver for the first time
  - already a member of a KiwiSaver scheme
  ⇒ the applicant and one parent/guardian can sign
  ⇒ the applicant alone can sign

Occupation

Date of birth

Notes: Each parent/guardian must attach the identity and residential address documents described on anz.co.nz/myid. If the application form is not being signed by the applicant’s parent(s), as named on the applicant’s birth certificate, it will need to be signed by the applicant’s guardian(s). We will need additional documents to confirm the guardian(s)’ appointment and identity. You can find more information on our website, or call us on 0800 736 034 to discuss these requirements (if they’re applicable to you).
ANZ KIWISAVIER SCHEME

7. Your agreement

By signing this application form, you confirm that you have received and read the ANZ KiwiSaver Scheme product disclosure statement dated 10 August 2018 and that you agree to be bound by the ANZ KiwiSaver Scheme's terms and conditions. These are set out in the product disclosure statement, online register form and governing document. You are also confirming that you understand:

- all parent(s)/guardian(s) who have authorised this application are authorised to act on behalf of the applicant and/or the other parent(s)/guardian(s);
- the applicant cannot generally cash in their investment before they're 65 and:
  - Inland Revenue received a contribution to a KiwiSaver scheme for them at least five years ago, or
  - the applicant has been a member of a KiwiSaver scheme (and a complying superannuation fund) for five years;
- the value of the applicant’s investment can move up and down over time;
- contributions will be deducted from the applicant’s pay (when the applicant becomes an employee);
- the savings in the applicant’s KiwiSaver account are not guaranteed by anyone;
- if applicable, you have considered and compared the benefits of the applicant’s current scheme before transferring to the ANZ KiwiSaver Scheme;
- by providing an email address, you will receive emails from ANZ Investments (or its related companies) about the applicant’s investment (including annual reports) and, from time to time, any other relevant product or service offers;
- by providing a mobile number, you agree to receive text messages from ANZ Investments;
- that you consent to receiving information about your investment in the ANZ KiwiSaver Scheme, including personalised annual account and tax statements, electronically, including via ANZ Internet Banking or ANZ goMoney;
- that investments in the ANZ KiwiSaver Scheme are not deposits in ANZ Bank New Zealand Limited or Australia and New Zealand Banking Group Limited or their subsidiaries (together ‘ANZ Group’), nor are they liabilities of ANZ Group. ANZ Group does not stand behind or guarantee ANZ New Zealand Investments Limited. Investments are subject to investment risk, including possible delays in repayment, and loss of income and principal invested. ANZ Group will not be liable to you for the capital value or performance of your investment;
- that information about you will be collected and held by ANZ Investments, the supervisor and the ANZ Group who may:
  - use your information and disclose it to each other and any other party to administer your investment account and promote to you and administer other products offered by ANZ Investments or our related companies;

As an alternative to a direct debit, you can set up an automatic payment for any amount and frequency using internet banking. With automatic payments, there's no need for forms and you can make your own changes to your payments at any time.

If you would like to set up a direct debit, you can take this completed form to an ANZ branch or post to: ANZ KiwiSaver Scheme, ANZ Investments, Freepost 324, PO Box 7149, Wellesley Street, Auckland 1141.

1. KiwiSaver member information

First Name(s) 
Surname 
ANZ customer (or investor) number (if known) 

2. What would you like to do? (tick one)

☐ I want to set up a direct debit
☐ I want to change the details of an existing direct debit
☐ I want to cancel my existing direct debit

3. Contribution details

Contribution amount $ 
Start date D D M M 2 0 Y Y 
Frequency (tick one) ☐ weekly ☐ fortnightly ☐ monthly ☐ quarterly ☐ annually 

4. Direct Debit Authority (to be completed by the bank account holder)

Name of account to be debited (acceptor): 
Name of bank: 
Bank Branch Account Suffix 
From the acceptor to (my bank): 
insert name of acceptor's bank

I authorise you to debit this account with the amounts of direct debits from ANZ New Zealand Investments Limited (the initiator) with the authorisation code specified on this authority in accordance with this authority until further notice.

I agree that this authority is subject to:
• The bank’s terms and conditions that relate to this account, and
• The specific terms and conditions listed over the page.

Authorised signature/s: 

Date D D M M 2 0 Y Y
Specific conditions relating to notices and disputes

I may ask my bank to reverse a direct debit up to 120 calendar days after the debit if:

• I don’t receive a written notice of the amount and date of each direct debit from the initiator, or
• I receive a written notice but the amount or the date of debiting is different from the amount or the date specified on the notice.

The initiator is required to give you a written notice of the amount and date of each direct debit no less than 10 calendar days before the date of the debit.

If the bank dishonours a direct debit but the initiator sends the direct debit again within 5 business days of the dishonour, the initiator is not required to give you a second notice of the amount and date of the direct debit.

I agree to any correspondence relating to this direct debit being sent to the KiwiSaver member.
Specified conditions relating to notices and disputes

I may ask my bank to reverse a direct debit up to 120 calendar days after the debit if:

• I don’t receive a written notice of the amount and date of each direct debit from the initiator, or
• I receive a written notice but the amount or the date of debiting is different from the amount or the date specified on the notice.

The initiator is required to give you a written notice of the amount and date of each direct debit no less than 10 calendar days before the date of the debit.

If the bank dishonours a direct debit but the initiator sends the direct debit again within 5 business days of the dishonour, the initiator is not required to give you a second notice of the amount and date of the direct debit.

I agree to any correspondence relating to this direct debit being sent to the KiwiSaver member.
