

OnePath KiwiSaver Scheme

■ Cash Fund

What is the purpose of this statement?

This statement provides key information about the OnePath KiwiSaver Scheme Cash Fund. It tells you how the fund has performed and what fees it charged, and will help you to compare it with other funds. We prepared this statement in accordance with the KiwiSaver (Periodic Disclosure) Regulations 2013. This information is not audited and may be updated.

Description of the fund

The Cash Fund invests in overnight deposits and term deposits with registered New Zealand banks. The objective of the Cash Fund is to outperform the NZX NZ Bank Bill Index.

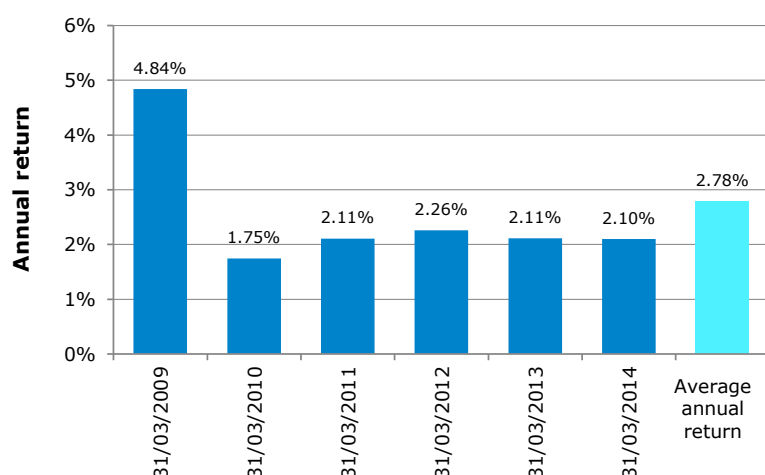

Total value of the fund (\$)	1,786,627
Number of members in the fund	110
Date the fund started	15 November 2007

How has the fund performed?

	Past five years	Past year
Annual return (after deductions for fees and tax ¹)	2.06%	2.10%

How has the fund performed in the past?

This shows the return after fund fees and tax for each tax year since the fund started and the average annual return since the fund started. It's important to note that this doesn't tell you how the fund will perform in the future.

What fees were members charged?

The returns above are after deductions for **fund fees**². Over the past year these were:

	% of members' investments
Total fund fees	0.44%
<i>Which are made up of:</i>	
Annual management fee	0.35%
Performance-based fees	0.00%
Other fees and costs	0.09%

Members were also charged **membership fees**³ of up to \$33 over the year to 31 March 2014.

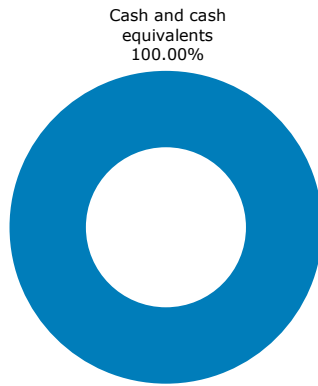

Example of how this applies to a member

Sarah had \$10,000 in the fund at the start of the year and didn't make any further contributions. At the end of the year, Sarah received a return after fund fees and tax were deducted of \$210 (that's 2.10% of her initial \$10,000). Sarah also paid \$33 in membership fees³. This gives Sarah a total return of \$177 for the year.
