

## Media Release

For Release: Tuesday 26 February

### **ANZ Property Unlocked Seminar Series starts tonight**

The ANZ Property Unlocked Seminar Series kicks off tonight in Avondale with a seminar for First Home Buyers.

The ANZ Property Unlocked Speaker Series brings together industry experts for a series of public seminars to help buyers through the steps to home ownership.

ANZ Retail Managing Director Kerri Thompson said tonight's seminar is about unravelling the complexities of the property purchase – including the steps involved, negotiation strategies, finance, LIM reports, valuations and KiwiSaver contributions.

"We wanted prospective buyers to be able to come to one place and find out all the information they need – to be able to ask all the questions they need to experts in different areas."

Bayley's residential manager Rachel Dovey, Wadsworth Ray solicitor Kristine King and ANZ mobile mortgage manager Shelly Singh will be presenting tonight.

The other ANZ Property Unlocked Seminar Series cover the local property market, how to buy at auction, maximising the value of existing property, buying property for people who are new to New Zealand, and how to become a property investor.

"We wanted to cater for people at all stages of the home ownership journey and tailor the information for each group," said Mrs Thompson.
